

Bronze Gloves (June 1st - 3rd) Registration

Registration and payment for the 2018 Bronze Glove will be done at the same time and on the same platform. Registrations for the tournament will be done at: <https://www.trackie.com/online-registration>. Moving the registrations and payment to the same site will streamline the entire registration process and create less confusion. All entries into the tournament can be viewed in Trackie as well, as soon as the registration has been paid in the system.

Below are some helpful tips on how to use the registration system.

Link for registration: <http://www.trackiereg.com/2018BronzeGloves>

You can find the event in the **Find Event** tab at the top of the site. Events are typically listed in order by date; but the events can be filtered by location, event type and registration deadlines.

To Register:

Individuals (athletes) can register themselves or a coach/club administrator can register them.

Registering multiple individuals: Near the top of the registration page, right above the “**First Name**” box, there is a statement “**# of individuals you want to register**” with a drop-down box that allows for multiple registrations on one order.

Once a number selection has been made from the drop down, a menu bar will appear on the left-hand side of the page. There will be one “**BLANK ENTRY**” slot for each individual to be registered. This is based on the number selected from the drop-down menu.

Start by filling in the details for the first boxer. Once the registration for the athlete is complete, **DO NOT** hit “**Proceed to Step 2,**” instead go to the menu with the “**BLANK ENTRY**” slots and select a “**BLANK ENTRY,**” and complete the details for the next boxer. All information is automatically saved. Once all boxers have been entered, THEN you can select the “Proceed to Step 2” button.

The next page is the **REVIEW and PAYMENT** page. Once the payment has gone through, a receipt for the payment will appear and the individual(s) will be registered for the tournament/event.

Confirmation List

All boxers who have entered the tournament will be listed on the “Confirmation Page”. The Confirmation Page can be accessed straight from the [home page](#). Entries can be filtered using

the filters for event, category, gender, and team. Entries are updated the moment payment for a registration has been process.
